RESOLUTION : Government is pleased to direct that training should be imparted to all the Police-patils in the State with a view to acquainting them fully with their duties and responsibilities. The training should be conducted by Taluka Executive Magistrates with the help of competent police officers not below the rank of Police Sub-Inspectors. They should conduct the training classes in such batches of Police-patils and at such time and places as may be considered convenient. The batches of the Police patils should, however, be so arranged that the work of those called for training is conveniently handled during their absence by the Police-patils of adjoining villages. The training for each batch should last for 2 to 3 days at a time.

In view of financial stringency, the training programme should be undertaken in phases. To begin with, about 5000 Police patils should be imparted training during first phase and the rest in due course. Thereafter, all the Police-patils should undergo ~~refresher~~ courses every three years. Care should be taken to ensure that the newly appointed Police-patils receive training within the first year of their appointment.

The Police patils called for training, should be paid actual travelling expenses for their journey by public conveyance between the village of duty and the training centre. They should also be granted a daily allowance at the rate of Rs. 1.50 for each day or a part thereof during which they are away from the village of their duty in connection with their training.

2. The expenditure involved in the grant of travelling expenses and daily allowance should be met from the provision of Rs. 20,000 sanctioned for the first phase of training by way of a Section I New Item in the Additional Civil Budget Estimates for 1969-70. under the budget head "23-Police-J-Village Police-J(1)-Stipends to Police patils". The allocation of this provision among the four Divisions is left to the discretion of the Inspector General of Police, State of Maharashtra.

3. This resolution issues with the concurrence of the Finance Department vide its unofficial reference No. 1208/XVII, dated the 7th June 1969.

By order and in the name of the Government of Maharashtra,
